The Vamps - She Was The One

Tom: D
Intro: D Bm D Bm

```
D                                         Bm
Tell me you love me  tell me you care
                        D       Bm
I know you won't be there  no
G                    Bm
So give me it all  i'll give it right back
                      G
And show me the bottom of this bottle
                                    A
We can pick up where we left off tomorrow

D                               G
She was the one who got away
                                  Bm
She was the one who I never got to say how much
  G
I miss your touch
D                              G
She was the one who meant the most
                                Bm
She was the one who I kept close amongst it all
  G
So just let's fall

(D )

D                                     Bm
Tell me you need me  this isn't fair
                        D       Bm
I know you won't be there  no
G                    Bm
So give me it all  i'll give it right back
                      G
And show me the bottom of this bottle
          A
We can pick up where we left of tomorrow

D                                 G
```
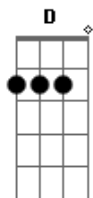

```
She was the one who got away
                                  Bm
She was the one who I never got to say how much
  G
I miss your touch
D                                 G
She was the one who meant the most
                                Bm
She was the one who I kept close amongst it all
  G
So just let's fall

D            Bm    G
Tell me it will be ok
D              Bm      G
Tell me it will all fade away
Bm                                            G
I've walked for miles and I haven't even got that far
                                              Bm
Tell me your secrets I promise we wont leave this scarred
                                                      A
Cause in the end there's always better ways for us to part  no
Bm                                            G
I thought as much it wouldn't ever end that way
                                            Bm
Cause all the second guessing girl you led me astray
                                  A
Could you come back to me one day

D                                 G
She was the one who got away
                                  Bm
She was the one who I never got to say how much
  G
I miss your touch
D                                 G
She was the one who meant the most
                                Bm
She was the one who I kept close amongst it all
  G
So just lets fall
