

Tom: Db

The Vamps - Wake Up

```
(com acordes na forma de
                                               C)
Capostraste na 1º casa
 The riff
Verse:
You've been deep in a coma
But I stood right here
When you thought there was no one
I was still right here
You were scared, but I told you
"Open up your eyes"
Never stopped being someone who could love you well
Had to show you the hard way
Only time will tell
Revelations and heartaches
make you realize
Pre-chorus:
           Am G
That I was always in front of you
Chorus:
So wake up
Your sleeping heart
I know sometimes we'll be afraid
But no more playing safe, my dear
I'm here
```

```
So wake up
Verse 2 (same as verse1)
You've been deep in a coma
But I stood right here
When you thought there was no one
I was still right here
You were scared, but I told you
"Open up your eyes"
Pre-chorus
I was always in front of you
Chorus:
So wake up
Your sleeping heart
I know sometimes we'll be afraid
But no more playing safe, my dear
So wake up
Your sleeping heart
And we will dream a dream for us
That no one else can touch, my dear
       C -one strum-
So wake up
```
