

The Vamps - Waves

Tom: **G**

My hands are shaking **E**
 Holding photos taken **E**
 And I wanna get you out of my head **A**
 I'm bruised and broken **E**
 By the words I've spoken **E**
 And there's not much of me left **A**
 The cold in my bones **E**
 I feel it in any weather **E**
 Ghosts in my home **A**
 They leave 'cause they can find much better **A**
 Lo and behold, I'm on my own **E**
 With only myself to blame **A**
 'Cause I'm a fool **E**
 I let you down, I let you down **E**
 I made waves, and I'm ashamed **A**
 This all for you **E**
 I let you down, I messed around **E**
 I made waves, my mistakes, yeah **A**
 I know I'm not perfect **E**
 And I know you're hurting **E**
 I'm sorry that I wasn't there **A**
 When I call in the morning **E**
 Without any warning **E**
 I'll say all the things that I should've said **A**
 The cold in my bones **E**
 I feel it in any weather **E**

Ghosts in my home **A**
 They leave 'cause they can find much better **A**
 Lo and behold, I'm on my own **E**
 With only myself to blame **A**
 'Cause I'm a fool **E**
 I let you down, I let you down **E**
 I made waves, and I'm ashamed **A**
 This all for you **E**
 I let you down, I messed around **E**
 I made waves, my mistakes, yeah **A**
 So can't we go back, can't we go back **Dbm A E**
 To when nothing really mattered at all? **E B**
 So can't we go back, can't we go back? Yeah **Dbm A E B**
 'Cause I'm a fool **E**
 I let you down, I let you down **E**
 I made waves, and I'm ashamed **A**
 This all for you **E**
 I let you down, I messed around **E**
 I made waves, my mistakes **A**
 I'm a fool **E**
 I let you down, I let you down **E**
 I made waves, and I'm ashamed **A**
 This all for you **E**
 I let you down, I messed around **E**
 I made waves, my mistakes, yeah **A E**
 I made waves **A**
 All for you **E**
 I let you down **A**
