D
Job well done

Bm
Standing ovation

Em
Yeah you got what you wanted

A
I guess you won

Bm
And I don't want to hear, they don't know you like I do

Em
Even I could've told you

A
But now we're done

D **Bm**
Cause you play me like a symphony

Em
Play me till your fingers bleed

A
I'm your greatest masterpiece

G
You ruin me

D **Bm**
Later when the curtains drawn

Em
And no one's there for you back home

A
Don't cry to me, you played me wrong

G **D**
You ruin me

D
I know you thought

Bm
That I wouldn't notice

Em
You were acting so strange

A
I'm not that dumb

D **Bm**

And in the end I hope she was worth it

Em **A**
I don't care if you loved me, you make me numb

D **Bm**
Cause you play me like a symphony

Em
Play me till your fingers bleed

A
I'm your greatest masterpiece

G
You ruin me

D **Bm**
Later when the curtains drawn

Em
And no one's there for you back home

A
Don't cry to me, you played me wrong

G **D**
You ruin me

Bm **G** **D** **A**
We're that song you wouldn't sing

Bm **G** **Em**
Just a broken melody

A
You're killing me

D **Bm**
Cause you play me like a symphony

Em
Play me till your fingers bleed

A
I'm your greatest masterpiece

G
You ruin me

D **Bm**
Later when the curtains drawn

Em
And no one's there for you back home

A
Don't cry to me, you played me wrong

G **D**
You ruin me
