Say it, though you're looking down and to the left, now

Say it, like someone who really means it Bm

We fall down

Smiling, like there's nothing wrong C

You're good at smiling, so keep it plastered on

Until the morning, 'cause if you shift to genuine Bm

Then we'll fall out Em D C

G G D Em
I'll stand for the greatest pretender C G D

I know you won't die for me

Am

But say you will

G D Em
Just lie to me, to me

Em Em
So kiss me and tell me I'm the one

Baby, kiss me, make sure you close your eyes

C G D Em
Now I can see, you bite your lip when you look at me C G D Em

One word, you say, and everything is giving you away

Let's close our eyes and save the truth for one more night Em D C

C C D
Or I fall down
