

# The Warning - 23

tom:

Em

I looked at you, same as before  
C  
What had changed? I do not know  
Am  
But the thought of you replayed in secret  
Em  
It hurt me but I asked for more  
C  
Falling down your rabbit hole  
Am  
I kept on biting back what I was feeling  
Em  
I close my eyes and you are there  
D  
Innocently unaware  
C  
Stop me, stop me  
Bm  
Tell me, tell me  
Em  
Break my heart for all I care  
D  
As long as I get to be there  
C  
Stop me, stop me  
Bm  
Tell me  
C Am  
Is it wrong? (Wrong)

Em  
Fast forward to 23  
C  
We're barely old enough to drink  
Am  
The bittersweet return of all these feelings  
Em  
Sudden glances leave their wake  
C  
I cannot breathe under the weight  
Am  
If you look hard enough, I fear you'll see it

Em  
The world around you cancels out  
D  
Three words that I can't say out loud  
C  
Stop me, stop me  
Bm  
Feel me, heal me  
Em  
Your eyes meet mine and I implode  
D  
I guess I'll love you on my own  
C  
Stop me, stop me  
Bm  
Tell me  
C Am  
Is it wrong? (Wrong)

Cross my heart and hope to die  
D C  
Can't you see that I want you so bad  
that I can barely breathe?  
D Em  
Can't you see that you're killing me too slowly?  
D  
But I can't seem to let you go  
C  
Every word you say, it's like it's poetry  
D Em  
A work of art that's not for me at all  
Whoa-oh-oh  
Em  
Hate that I still feel this way  
D  
Consciously keep choosing pain

Stop me, stop me, stop me

Is it wrong? (Wrong)

Is it wrong?

Is it wrong?
