**A** **D**

My sanity's not going to last  
 And I'll smile on through the night  
 Everyone will think I'm alright  
 But nobody knows  
 What I'm dragging along  
 When I'm alone

And every day I'll try  
 To keep my feelings hidden inside  
 But nobody knows  
 'Bout the hole in my soul  
 When I'm alone  
 When I'm alone
