

The Weeknd - Call Out My Name

Tom: Ab

m [Intro] Abm Ebm

We found each other

I helped you out of a broken place

You gave me comfort

But falling for you was my mistake

I put you on top, I put you on top

I claimed you so proud and openly

And when times were rough, when times were rough

I made sure I held you close to me

So call out my name (call out my name)

Call out my name when I kiss you

So gently, I want you to stay (want you to stay)

I want you to stay even though you don't want me

Girl, why can't you wait (why can't you wait baby)

Girl, why can't you wait til' I fall out of love

Won't you call out my name

Girl, call out my name and I'll be on my way

I'll be on my

I said I didn't feel nothing baby, but I lied

I almost cut a piece of myself for your life
Guess I was just another pitstop

Til' you made up your mind
You just wasted my time

You're on top
I put you on top

I claimed you so proud and openly, babe

And when times were rough, when times were rough

I made sure I held you close to me

So call out my name (call out my name baby)

Call out my name when I kiss you

So gently, I want you to stay (I want you to stay)

I want you to stay even though you don't want me

Girl, why can't you wait (Girl, why can't you wait til' I)

Girl, why can't you wait til' I fall out of love

Won't you call out my name (say call out my name baby)

Girl, call out my name and I'll be on my way

Girl, I'll be on my

On my way

On my way

On my way

On my way

On my way

Acordes
