

## The Weeknd - Call Out My Name

```
Tom: Ab
  [Intro] Abm Ebm
We found each other
            Ebm
I helped you out of a broken place
           Abm
You gave me comfort
But falling for you was my mistake
            Abm
I put you on top, I put you on top
I claimed you so proud and openly
And when times were rough, when times were rough
I made sure I held you close to me
               Ahm
So call out my name (call out my name)
Call out my name when I kiss you
                         Ahm
So gently, I want you to stay (want you to stay)
I want you to stay even though you don't want me
                   Abm
Girl, why can't you wait (why can't you wait baby)
                    Fbm
Girl, why can't you wait til' I fall out of love
Won't you call out my name
                 Fhm
Girl, call out my name and I'll be on my way
I'll be on my
I said I didn't feel nothing baby, but I lied
```

## Acordes

```
I almost cut a piece of myself for your life
Guess I was just another pitstop
        Fhm
Til' you made up your mind
You just wasted my time
          Abm
You're on top
I put you on top
I claimed you so proud and openly, babe
                   Abm
And when times were rough, when times were rough
              Fbm
I made sure I held you close to me
So call out my name (call out my name baby)
           Ebm
Call out my name when I kiss you
So gently, I want you to stay (I want you to stay)
