

The Weeknd - I Feel It Coming

Tom: **Eb**

G, Cm, G#, **Eb**

D#, G,
Tell me what you really like
Cm,
Baby I can take my time
Ab
We don't ever have to fight
Eb
Just take it step-by-step
I can see it in your eyes
Cause they never tell me lies
I can feel that body shake
And the heat between your legs

[The Weeknd]
You've been scared of love and what it did to you
You don't have to run, I know what you've been through
Just a simple touch and it can set you free
We don't have to rush when you're alone with me

[The Weeknd Daft Punk]
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe

[The Weeknd]
You are not the single type
So baby, this the perfect time
I'm just trying to get you high
And faded off this touch
You don't need a lonely night
So baby, I can make it right
You just got to let me try
To give you what you want

[The Weeknd]
You've been scared of love and what it did to you
You don't have to run, I know what you've been through
Just a simple touch and it can set you free
We don't have to rush when you're alone with me

[The Weeknd Daft Punk]
I feel it coming, I feel it coming, babe

I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe

[The Weeknd]
You've been scared of love
And what it did to you
You don't have to run
I know what you've been through
Just a simple touch
And it can set you free
We don't have to rush
When you're alone with me

[The Weeknd Daft Punk]
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I know what you feel right now

I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
