Tom: **Eb**

G, Cm, G#, **Eb**

D#, G,  
Tell me what you really like

Cm,  
Baby I can take my time

**Ab**  
We don't ever have to fight

**Eb**  
Just take it step-by-step  
I can see it in your eyes  
Cause they never tell me lies  
I can feel that body shake  
And the heat between your legs

[The Weeknd]  
You've been scared of love and what it did to you  
You don't have to run, I know what you've been through  
Just a simple touch and it can set you free  
We don't have to rush when you're alone with me

[The Weeknd Daft Punk]  
I feel it coming, I feel it coming, babe  
I feel it coming, I feel it coming, babe  
I feel it coming, I feel it coming, babe  
I feel it coming, I feel it coming, babe

[The Weeknd]  
You are not the single type  
So baby, this the perfect time  
I'm just trying to get you high  
And faded off this touch  
You don't need a lonely night  
So baby, I can make it right  
You just got to let me try  
To give you what you want

[The Weeknd]  
You've been scared of love and what it did to you  
You don't have to run, I know what you've been through  
Just a simple touch and it can set you free  
We don't have to rush when you're alone with me
