

# The Weeknd - I Feel It Coming (feat. Daft Punk)

Tom: C

[Verso 1]

Tell me what you really like <sup>Em</sup>  
 Baby I can take my time <sup>Am</sup>  
 We don't ever have to fight <sup>F</sup>  
 Just take it step-by-step <sup>C</sup>  
 I can see it in your eyes <sup>Em</sup>  
 Cause they never tell me lies <sup>Am</sup>  
 I can feel that body shake <sup>F</sup>  
 And the heat between your legs <sup>C</sup>

[Pre-refrão]

You've been scared of love <sup>Am</sup>  
 And what it did to you <sup>Em</sup>  
 You don't have to run <sup>F</sup>  
 I know what you've been through <sup>C</sup>  
 Just a simple touch <sup>Am</sup>  
 And it can set you free <sup>Em</sup>  
 We don't have to rush <sup>F</sup>  
 When you're alone with me <sup>C</sup>

[Refrão]

I feel it coming <sup>G</sup>  
 I feel it coming babe <sup>Am</sup>  
 I feel it coming <sup>F</sup>  
 I feel it coming babe <sup>C</sup>

I feel it coming <sup>G</sup>  
 I feel it coming babe <sup>Am</sup>  
 I feel it coming <sup>F</sup>  
 I feel it coming babe <sup>C</sup>

I feel it coming <sup>G</sup>  
 I feel it coming babe <sup>Am</sup>  
 I feel it coming <sup>F</sup>  
 I feel it coming babe <sup>C</sup>

[Pre-Refrão]

You've been scared of love <sup>Am</sup>  
 And what it did to you <sup>Em</sup>  
 You don't have to run <sup>F</sup>  
 I know what you've been through <sup>C</sup>  
 Just a simple touch <sup>Am</sup>  
 And it can set you free <sup>Em</sup>  
 We don't have to rush <sup>F</sup>  
 When you're alone with me <sup>C</sup>

[Verso 2]

You are not the single type <sup>Em</sup>  
 So baby this the perfect time <sup>Am</sup>  
 I'm just trying to get you high <sup>F</sup>  
 And faded off this touch <sup>C</sup>  
 You don't need a lonely night <sup>Em</sup>  
 So baby I can make it right <sup>Am</sup>  
 You just got to let me try <sup>F</sup>  
 To give you what you want <sup>C</sup>

[Pre-refrão]

You've been scared of love <sup>Am</sup>  
 And what it did to you <sup>Em</sup>

You don't have to run <sup>F</sup>  
 I know what you've been through <sup>C</sup>  
 Just a simple touch <sup>Am</sup>  
 And it can set you free <sup>Em</sup>  
 We don't have to rush <sup>F</sup>  
 When you're alone with me <sup>C</sup>
