The Weeknd - I Feel It Coming (feat. Daft Punk)

```
You just got to let me try
                            tom:
                                                                                      C
               Gm (forma dos acordes no tom de Em )
                                                                To give you what you want
Capostraste na 3ª casa
Intro: Em Am F C
                                                                [Pré-Refrão]
       Em Am F C
                                                                                       Am
                                                                You've been scared of love
[Primeira Parte]
                                                                            Fm
                                                                And what it did to you
                        Em
Tell me what you really like
                                                                                   Dm
                                                                You don't have to run
                    Am
Baby, I can take my time
                                                                                C
                                                                I know what you've been through
We don't ever have to fight
                                                                              Am
                                                                Just a simple touch
                       С
Just take it step-by-step
                                                                           Em
                                                                And it can set you free
                    Fm
I can see it in your eyes
                                                                                 Dm
                                                                We don't have to rush
'Cause they never tell me lies
                                                                                 C
                                                                When you're alone with me
I can feel that body shake
                                                                [Refrão]
And the heat between your legs
                                                                             Fm
[Pré-Refrão]
                                                                I feel it coming
                                                                             Am
                                                                I feel it coming babe
                       Am
You've been scared of love
                                                                I feel it coming
            Em
And what it did to you
                                                                             C
                                                                I feel it coming babe
                   Dm
You don't have to run
                С
                                                                             Em
I know what you've been through
                                                                I feel it coming
              Am
                                                                             Am
Just a simple touch
                                                                I feel it coming babe
           Em
And it can set you free
                                                                I feel it coming
                Dm
                                                                           C
We don't have to rush
                                                                I feel it coming babe
When you're alone with me
                                                                             Fm
                                                                I feel it coming
[Refrão]
                                                                            Am
                                                                I feel it coming babe
            Fm
I feel it coming
                                                                I feel it coming
            Am
I feel it coming, babe
                                                                I feel it coming babe
            F
I feel it coming
                                                                             Fm
                                                                I feel it coming
I feel it coming, babe
                                                                             Am
                                                                I feel it coming babe
            Fm
I feel it coming
                                                                I feel it coming
            Am
                                                                I feel it coming babe
I feel it coming, babe
            F
I feel it coming
                                                                [Pré-Refrão]
I feel it coming, babe
                                                                You've been scared of love
[Segunda Parte]
                                                                             Fm
                                                                And what it did to you
You are not the single type
                                                                You don't have to run
                           Δm
                                                                                C
                                                                I know what you've been through
So baby, this the perfect time
                                                                               Am
                                                                Just a simple touch
I'm just trying to get you high
                    С
                                                                          Em
And faded off this touch
                                                                And it can set you free
                        Fm
                                                                                 Dm
You don't need a lonely night
                                                                We don't have to rush
                        Am
So baby, I can make it right
                                                                When you're alone with me
