Intro: Am   D   Em   C

[Riff]

Oh, yeah
Am       D        C         Em
I just pretend that I'm in the dark
Am       D              C        Em
I don't regret 'cause my heart can't take a loss
Am                 D
I'd rather be so oblivious
    Em              Cm
I'd rather be with you
Am
When it's said, when it's done, yeah
D
I don't ever wanna know
Em
I can tell what you done, yeah
C
When I look at you
          Am
In your eyes
   D                          Em
I see there's something burning inside you
     C
Oh, inside you
          Am
In your eyes
   D                             Em
I know it hurts to smile but you try to
        C
Oh, you try to
     Am
You always try to hide the pain
             D
You always know just what to say
           Em
I always look the other way
         C
I'm blind, I'm blind
        Am       D             Em
In your eyes, you lie, but I don't let it define you
     C
Oh, define you
Am            D
I tried to find love
    Em               C
In someone else too many times
      Am            D
But I hope you know I mean it (mean it)
        Em                         C
When I tell you you're the one that was on my mind, oh
Am
```
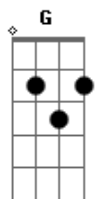

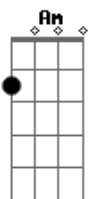

```
When it's said, when it's done, yeah
D
I would never let you know (let you know)
Em
I'm ashamed of what I've done, yeah
          C
When I look at you
          Am
In your eyes (your eyes)
   D                             Em
I see there's something burning inside you (inside you)
     C
Oh, inside you (oh, inside you)
          Am
In your eyes
   D                             Em
I know it hurts to smile but you try to (but you try to)
        C
Oh, you try to (I try to)
             Am
You always try to hide the pain (oh, oh)
             D
You always know just what to say (oh, dear)
           Em
I always look the other way
         C
I'm blind, I'm blind
        Am       D                   Em
In your eyes, you lie, but I don't let it define you (hey)
     C
Oh, define you

( Am   D   Em   C )

             Am
In your eyes
   D                             Em
I see there's something burning inside you
     C
Oh, inside you
             Am
You always try to hide the pain
             D
You always know just what to say
           Em
I always look the other way
         C
I'm blind, I'm blind
        Am       D                   Em
In your eyes, you lie, but I don't let it define you
     C
Oh, define you

[Final] Am   D   Em   C
        Am   D   Em   C
        Am   D   Em   C
