When I was a ghost (Yeah, uh)

I had you up in the St. Regis just when it was the Trump
Dbm7
I was a boy
A7M
Still the kid from the borough, uh

Pull up to the city dolo, uh
E7M
You know you can always reach me

Tryna see you with your clothes off
Gbm7
'Cause I know he really loves you, uh

But you tellin' me the n?xt move, uh
Dbm7
'Cause in your head, you'r? my baby

You're relivin' what we been through, oh
A7M **E7M**)
(**Gbm7** **Dbm7**)

A7M
With a smile on my face

I used to hold you, girl, before the sun came up

Gbm7 **Dbm7**

Your ex man tried to end your run, you're a shining star

Trust me I know, ooh, yeah
A7M **E7M**
'Cause I got my finger on the pulse every single time

I've done it before, yeah
Gbm7 **Dbm7**
But I'll never take the credit 'cause you were bound to shine

I was just a spark
A7M
Gave your heart just to borrow

Tried to help you with the sorrow (Sorrow)
E7M
You know you can always reach me (Reach me)

'Cause I know you runnin' on low (On low)
