Intro: **Dm** **Am** **C** **G**

Yeah

I've been tryna **Dm** call

I've been on my own for long enough **Am**

Maybe you can show me how to love, maybe **C**

I'm going through withdrawals **Dm**

You don't even have to do too much **Am**

You can turn me on with just a touch, baby **C**

I look around and **Dm**

Sin city's cold and empty (oh) **Am**

No one's around to judge me (oh) **C**

I can't see clearly when you're gone **G**

I said, ooh, I'm blinded by the lights **Dm** **Am**

No, I can't sleep until I feel your touch **C**

I said, ooh, I'm drowning in the night **Dm** **Am**

Oh, when I'm like this, you're the one I trust **C** **G**

Hey, hey, hey

(**Dm** **Am** **C** **G**)

I'm running out of time **Dm**

'Cause I can see the Sun light up the sky **Am**

So I hit the road in overdrive, baby, oh **C** **G**

The city's cold and empty (oh) **Dm**

No one's around to judge me (oh) **Am**

I can't see clearly when you're gone **C** **G**

I said, ooh, I'm blinded by the lights **Dm** **Am**

No, I can't sleep until I feel your touch **C** **G**

I said, ooh, I'm drowning in the night **Dm** **Am**

Oh, when I'm like this, you're the one I trust **C** **G**

I'm just calling back to let you know (back to let you know) **Dm**

I can never say it on the phone (say it on the phone) **Am**

Will never let you go this time (ooh) **C** **G**

I said, ooh, I'm blinded by the lights **Dm** **Am**

No, I can't sleep until I feel your touch **C** **G**

Hey, hey, hey

(**Dm** **Am** **C** **G**)

Hey, hey, hey

I said, ooh, I'm blinded by the lights **Dm** **Am**
