

The Weeknd - Take Me Back to LA

tom:
 E Db
 Take me back to LA
 Abm
 Where the sun would kiss on my face
 B
 Now the sunshine tracks my skin
 E
 I stayed too long
 Db
 Take me back to a time
 Abm
 When my blood never tasted like wine
 B
 My love could fill a sea
 E
 But now I can't even feel the breeze
 Db
 And it hurts when I think about
 Abm
 The nights we would always shout
 B
 My voice cracking when we scream
 E
 You scream, we scream
 Db
 And I watched while you wiped your eyes (Wiped your eyes)
 Abm
 Th?n I learned to cover min?
 B
 And that's when I realized that
 E
 It's better when I'm by myself, yeah
 Db
 By myself
 Abm
 Uh, by myself, yeah
 B E
 Oh, it's better when I'm by myself
 Db
 Take me back to a place
 Abm
 Where the snow would fall on my face
 B
 And I miss my city lights
 E
 I left too young
 Db
 Take me back to a time
 Abm

The trophies that I had would still shine
 B
 Now I have nothing real left
 E
 I want my soul
 Db
 And it hurts when I think about (Think about)
 Abm
 The days I would tell myself
 B
 It's okay for me to scream
 E
 To scream, to scream
 Db
 I put my hand over the fire ('Ver the fire)
 Abm
 And see if I can still cry (Can still cry)
 B
 And that's when I realize that
 E
 I hate it when I'm by myself
 Db
 By myself (Oh)
 Abm
 By myself
 B E
 Oh, I hate it when I'm by myself (Oh)
 Db
 Oh, myself
 Abm
