[Verse]
B
 Tell me the truth
Ab
 Baby girl, who else been with you
Ebm **Ab**
 It's gon' come to my attention either way, yeah
B
 And I understand
Ab
 Baby girl, we all had a past
Ebm **Ab**
 I'd much rather hear the truth come straight from you

[Pre-Refrão]
B
 So if I love you
Ab
 It'd be just for you
Ebm
 So when I'm touching you, can I trust in you
Ab
 Can I trust in you, oh baby

[Refrão]
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are the questions of a new lover
Ab7
 True colors, true colors
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are confessions of a new lover
Ab7
 True colors, true colors

[Verse]
 N.C.
 What's done is done
Ab
 Now that I'm the only one
Ebm **Ab**
 If you tell me I'll accept what you've been through, oh yeah
B
 And I don't believe

Ab
 All this inconsistency
Ebm **Ab**
 I've been hearing different stories about you

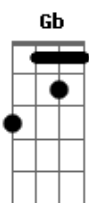

[Pre-Refrão]
B
 So if I love you
Ab
 It'd be just for you
Ebm
 So when I'm touching you, can I trust in you
Ab
 Can I trust in you, oh baby

[Refrão]
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are the questions of a new lover
Ab7
 True colors, true colors
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are confessions of a new lover
Ab7
 True colors, true colors

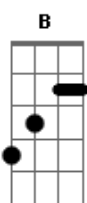

[Bridge]
B
 Baby, show me you're a keeper
B
 It's been hard for me to keep up
Ebm
 You've been tryna keep me in the dark
Ab7
 But baby girl, I see you
B
 Baby, show me you're a keeper
Ab7
 It's been hard for me to keep up
Ebm
 You've been tryna keep me in the dark
Ab7
 But baby girl, I see you

[Refrão]
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are the questions of a new lover
Ab7
 True colors, true colors
B
 Girl, come show me your true colors
Ab7
 Paint me a picture with your true colors
Ebm
 These are confessions of a new lover
Ab7
 True colors, true colors
