

# The Weepies - Same Changes

tom:  
Ab (forma dos acordes no tom de G )  
Capostrate na 1ª casa

**G**  
Arms around my body

Kisses on my skin  
**C2**  
I walk away, I walk away  
**D**  
But he lingers

**G**  
Maybe it should matter

More to be myself  
**C2**  
I walk away, I walk away  
**D**  
But he lingers

**Em** **C2**  
And everyone says  
**G** **D**  
This love will change you  
**Em** **C2**  
Well I ask, does  
**G** **D**  
Anything ever stay the same  
**Em** **D** **C2** **G**  
No, no, no  
**C2** **D**  
Just same changes

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**G**  
In the magic hour

Lantern petals glow  
**C2**  
I walk away, I walk away  
**D**  
But you linger

**G**  
Light as any flower

You don't even know  
**C2**  
You pick me up, You pick me up  
**D**  
With two fingers

**Em** **C2**  
And everyone says  
**G** **D**  
This love will change you  
**Em** **C2**  
Well I ask, does  
**G** **D**

Anything ever stay the same

**Em** **D** **C2** **G**  
No, no, no  
**C2** **D**  
Just same changes

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)  
**C2** **D** **G**  
Every day I want to freeze frame  
**C2** **D**  
Scrambling my sleep to keep this  
**G**  
Fragile frame  
**Em** **C2** **D**  
From the wind, from the driving rain  
**Em** **C2** **D**  
Soon as it begins it begins to change its  
**Am** **D**  
Strange changes

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**G**  
Careful and with patience  
**G**  
Hold this tender heart  
**C2**  
Leave a well of tiny threads with  
**D**  
Two fingers

**G**  
Standing in the garden  
**G**  
Gathering the dusk  
**C2**  
We hold the sun and golden one and  
**D**  
We linger

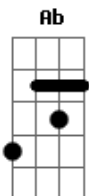

**Em** **C2**  
And everyone says  
**G** **D**  
This love will change you  
**Em** **C2**  
Well I ask  
**G** **D**  
Isn't that what love's supposed to do

**Em** **D** **C2** **G**  
Yeah, Yeah, Yeah  
**C2** **D**  
It's same changes

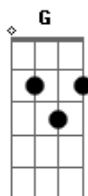

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)

**Em** **C2** **G** **D**  
Ooh (the same, chaaanges)
