

# The Western Den - Spark, Set Fire

tom:  
A  
D7M  
Oh, it's coming in close  
D7M  
Early arrival  
Gbm B  
Eager to materialize  
D7M D7M  
Shivering, I shut my eyes  
Gbm B  
I should have worn that dress you like

D7M  
Too late to know  
D7M  
A subtle entry  
Gbm B  
I'll pretend to not see you  
D7M  
Stare across the crowded room  
Gbm B  
Distraction for a lesser view

D7M  
So we put on our cloaks  
D7M  
Casual greeting  
Gbm B  
Artificial temperament  
D7M  
Delight at any farce I said  
Gbm B  
A likening, a compliment

D7M  
Dim-lit glow  
D7M  
Are you gazing longer?  
Gbm B  
Colorful, you tantalize  
D7M  
An ocean for a mountainside  
Gbm B  
A motion for my hand to hide in

D7M A  
And you talk about your mother  
B  
And I'll talk about mine  
D7M A  
Befriender of old lovers  
B  
Be a friend of mine  
D7M A

To not recoil at my questioning  
B  
Of the criminal kind  
D7M A  
A symptom of a flutter  
B  
Of a spark set fire

D7M  
Is it too soon to know  
D7M  
If there's a budding  
Gbm B  
Dawning far beyond digression  
D7M  
While my guard is now possessing  
Gbm B  
Flowers blooming, manifesting

D7M  
Come to a close  
D7M  
With hesitation  
Gbm B  
Gesture, still, yet overstating  
D7M  
Know I'm not an obligation  
Gbm B  
Hope you feel the same elation

D7M A  
And you talk about your brother  
B  
And I'll talk about mine  
D7M A  
Befriender of old lovers  
B  
Be a friend of mine  
D7M A  
Corresponding creature  
B  
We're a similar kind  
D7M A  
A symptom of a flutter  
B  
Of a spark set fire

D7M Gbm B  
We lay to rest (spark set fire)  
D7M Gbm B  
Closer you get (spark set fire)  
D7M Gbm B  
Could we pretend (spark set fire)  
D7M Gbm B  
You know me yet? (spark set fire)
