The White Buffalo - Fire Don't Know

Tom: G
Intro: G B7 C G B7 C G

```
              B7              C                G
Son listen close, there's one thing for sure
        C        G          C           G
That the fire don't know not to burn your hands

                B7            C            G
Woman, the wind blows, better go grab your coat
          C          G            C            G
'Cause the winter don't know that you don't like the cold

    Am C  Am     D
But I, I, I... I do
Am C  Am     G   C   G    C   G
```

```
I, I, I... I do

              B7               C                  G
Bullets and steel, they don't think, they don't feel
        C          G        C            G
Well, they ain't got no plans to shoot down a man

              B7        C          G
Silver and gold, it comes and it goes
        C        G          C              G
Well, money don't know I got mouths to feed

    Am C  Am      D
But I, I, I... I do
Am C  Am      G   C   G    C   G
I, I, I... I do
