

The White Buffalo - I Believe

Tom: C

Intro: C G

C

Lord, well you've given gifts to me

But I'm not blind enough to see your light

C

Lord, they all got it right you see

They all fuss and fight for thee but I decline

G

I believe in what I see around me now

Everyone deceived they've figured it all out somehow

C

Lord, it ain't history

It's more like a mystery, tampered with and made divine

Lord, one single deity

Well the powers that may be well I can't define

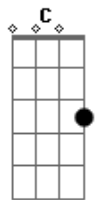

I believe in what I see around me now

Everyone deceived all I know is that I see the sun come down on me

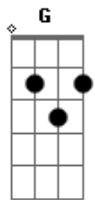

I believe in what I see around me now

Everyone deceived all I know is that I see the sun come down on me
