

The White Buffalo - John Jameson

Tom: C

Well, I'm sloshed and seeing the stars, stumbling between bars, C

Curse you Jameson, you have destroyed me once again. C

But I need you, I need you now. F

I'm Bruised and busted now, got to get to you somehow. C

Well, I can't stop before I start, to dry this drowning heart. C

Oh, I need you now, I need you now. F

I think I drank more than my fill, and that explains the evil in my eye. G

I'm lost in the middle of a drunk, I'm not sinking, I have sunk, C

Well I'm sloshed and seeing the stars. C

To the shadows at your back door, you scream you don't need me no more.

Oh, I need you now, I need you now. F

In this fog there's just John and me, help me find the remedy tonight. C

And when there's only wrong in me there's nothing that can lead me to the light. G

Oh, I need you, like the flowers need the rain. Am

I don't need you, there's no flowers only pain. C

Behind the empty of your eyes I see the sadness and the blame, F

In the darkness of my heart, there's only shame. C

Well I'm sloshed and seeing the stars. C
