

The White Buffalo - John Jameson

Tom: C

Well, I'm s^Closhed and seeing the stars, s^Ctumbling between bars,

C^Curse you Jameson, you have destroyed me once again.

F^F But I need you, I need you now.

C^C I'm Bruised and busted now, got to get to you somehow.

C^C Well, I can't stop before I start, to dry this drowning heart.

F^F Oh, I need you now, I need you now.

C^C I think I drank more than my fill, and that explains the evil in my eye.

C^C I'm lost in the middle of a drunk, I'm not sinking, I have sunk,

C^C Well I'm s^Closhed and seeing the stars.

To the shadows at your back door, you scream you don't need me no more.

F^F Oh, I need you now, I need you now.

G^G In this fog there's just John and me, help me find the remedy tonight.

C^C And when there's only wrong in me there's nothing that can lead me to the light.

Am^{Am} Oh, I need you, like the flowers need the rain.

Am^{Am} I don't need you, there's no flowers only pain.

F^F Behind the empty of your eyes I see the sadness and the blame,

F^F In the darkness of my heart, there's only shame.

C^C Well I'm s^Closhed and seeing the stars.
