Seasons change, the way they always do  
<sup>D</sup> <sup>A</sup> <sup>E</sup>  
The world is dipped, dancing circles with the moon

It's a lack of gain, a calculated ruse  
<sup>D</sup> <sup>A</sup> <sup>E</sup>  
Spinning us, till we're a little bit confused  
<sup>D</sup> <sup>A</sup> <sup>E</sup>  
I wish I'd find just a better way to lose

[Refrão]

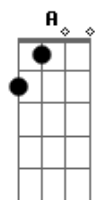

<sup>Dbm</sup> <sup>D</sup> <sup>A</sup>  
So I settled for a cage, 9-5 and hollowed out  
<sup>E</sup> <sup>Dbm</sup>  
Breaking like a window, I can see there's no way out  
<sup>D</sup> <sup>A</sup>  
Slave and a working wage, is that all I'll ever do?  
<sup>E</sup> <sup>D</sup>  
Stuck in this apartment, a kingdom for a fool

( <sup>A</sup> <sup>D</sup> <sup>Dbm</sup> <sup>Bm</sup> )  
( <sup>D</sup> <sup>A</sup> <sup>E</sup> )

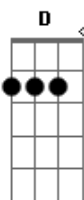

[Segunda Parte]

<sup>A</sup> <sup>D</sup> <sup>Dbm</sup> <sup>Bm</sup>  
Things will change, well this ain't no breaking news
