

The White Buffalo - Love Song #2

Tom: C

C F7M C F7M
nine hours away count the minutes pass the days

C F7M G
I'm all wrapped up in an endless haze I'm missing you

C F7M
wish you could poison me with your stare

C F7M C F7M
heart and soul beyond repair but you sit idley unaware

G
that i was missing you

C F7M C F7M C
oh my darlin' will i see you again i'd rather just pretend
that you're

G C F7M C F7M C
around oh my darlin' will i see you again i'd rather just
pretend that

G
you're around

C F7M C F7M
got drunk another fight it helps me sleep through the night

C F7M G
well i still stare at your picture every night well i was

kissin' you

C F7M C F7M
memories explode in thin air fireworks of times we shared

C F7M G
cause you sit idley unaware that i was missin' you

C F7M C F7M C
oh my darlin' will i see you again i'd rather just pretend
that you're

G C F7M C F7M C
around oh my darlin' will i see you again i'd rather just
pretend that

G F G C F7M
you're around all the laws and the sun don't seem to
play

C G C
spend my days and my nights alone

C F7M C F7M C
oh my darlin' will i see you again i'd rather just pretend
that you're

G C F7M C
around it's alarming how my thoughts of you will send

F7M C G
me to a place i can pretend that you're around
