C F G			Love	F	G
Into my mind, into the deep			And i am one		u
Taking me up to the observatory			C F I am one	G	
See if the moon and the stars agr	ree		( C F G )		
C F G To take me out			Am		
C F G			Everybody hides  F		
Where is the answer  C F G			Everybody bleeds C		
Where you been hiding  C  F	G		Everybody hurts G		
What's you been running from  C F G			Everybody feels Am		
Two worlds colliding			Everybodys right		
Am Everybody hides			Everybodys wrong		
F Everybody bleeds			Everybodys old G		
C Everybody wants			Everybodys young Am		
G Everybody needs			Everybodys low F		
C F G Love			Everybodys high C		
C F G but maybe i ain't the one			Everybody lives G		
C F G Maybe i ain't the one			Everybody dies Am		
( C F G )			Everybody cries F		
C F G			Everybody dreams C		
The horizon calls from the east C F G			Everybody wants G		
Oh the sky, it begs and pleads C F G			Everybody needs C F G		
Get up boy off your knees C F G			Love C	F	G
Look around			And i am one C F	G	
Am Everybody hides			I am one	-	
,,			( C F G )
