

The White Stripes - Death Letter Live Intro

Tom: **G** this bit i sort of made up:

i worked most of this out which im proud of coz slide guitar is hard 2 teach ur self

jacks kay hollowbody is tuned to **A** which can also be tuned 2 **G** im dont have a clue how he does that amazingly fast bit so i made upmy own bit again:

for all u accoustic players this is the balckpool lights version as there r many diferent versions of it

Intro: -this took me ages 2 work out:

play with slide

then it goes 2 the riff

well thats about it

its quite hard 2 learn at first

then the louder fast bit comes in with meg hitting the symbol any questions or comments contact: (yeah its gay i no) enjoy :)

Acordes
