

The White Stripes - Effect And Cause

Tom: A

A A A A
A A E A

I guess you have to have a problem A
E

If you want to invent a contraption A
first you cause a train wreck E

then you put me in traction E
A

well first came an action
And then a reaction D

But you can't switch around
For your own satisfaction A

Well you burnt my house down E
A

And then got mad at my reaction E

Well in every complicated situation A
A

now there's human relation
making sense of it all E

Takes a whole lot of concentration A

Well you can't blame a baby
For her pregnant ma D

then it feels one of these
aren't whole lotta applauded A

A E
A

that you just can't take the effect and make it the cause D

Well you can't take the effect
And make it the cause A

I didn't rob a bank
because you made up the law D

Blame me for robbing peter
Don't you blame paul
[tacet]
Can't take the effect

And make it the cause

A E A

A
I ain't the reason that you gave me A
E
No reason to return your call
You built a house of cards E

And got shocked when you saw them fall A
Well I ain't saying I'm innocent
In fact the reverse D

But if you're heading to the grave
ya don't blame the hearse E

A
You're like a little girl yelling at her brother
A
Cos you lost his ball

A
You keep blaming me for what you did
E A
but that ain't all
The way you clean up the wreck E

Is enough to give one pause, yes A
You seem to forget just how this song started D
I'm reacting to you
because you left me broken hearted E

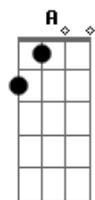

A
A
you see you just can't take the effect and make it the cause D

Well you can't take the effect
And make it the cause A

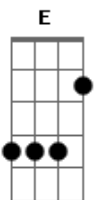

I didn't rob a bank
because you made up the law D

Blame me for robbing peter
Don't you blame paul
[tacet]
Can't take the effect
And make it the cause
