

The White Stripes - Forever For Her (Is Over For Me)

Tom: A

VERSE 1:

I blew it, and if I knew what to do then I'd do it

But the point that I have, I'll get to it

And forever for her is over for me

Forever, just a word that she said that means never

To be with another together

And with the weight of a feather it tore into me

VERSE 2:

Then I knew it, and all the work that it took to get through it

On the wings of a feather that flew it

Fell under my shoe, cut up into me

Chorus:

Well, everybody's reaction is changin' you

But their love is only a fraction of what I can give to you

So let's do it!

Just get on a plane and just do it!

Like the birds and the bees and get to it

Just get out of town and forever be free

Forever, a word that we could say together

It could change everyone for the better

Just tug on my shirt and lay down next to me
