

# The White Stripes - In the cold, cold night

Tom: **D**

Riff 1:

Riff 2:

Riff 3:

(Riff 1) 3x  
I saw you standing in the corner  
On the edge of a burning light  
I saw you standing on the corner  
(Riff 2) Come to me again in the cold, cold night  
(Riff 1) 2x

(Riff 1) 3x  
You make me feel a little older,  
Like a full grown woman might  
But when you're gone I grow colder,  
(Riff 2) Come to me again in the cold, cold night (Riff 1) 2x

(Riff 3)

I see you walking by my front door  
I hear the creaking of the kitchen floor  
I don't care what other people say  
I'm going to love you, anyway  
Come to me again in the cold, cold night (Riff 1) x2

(Riff 1) 4x , (Riff 2) 1x, (Riff 1) 1x

(Riff 1) 3x  
I can't stand it any longer  
I need the fuel to make my fire bright  
So don't fight it any longer  
(Riff 2) Come to me again, in the cold, cold night (Riff 1) 2x

Riff 4 :

(Riff 4)  
**D** **C** **A** **A7**  
And I know that you feel it too,  
**D** **C** **A** **A7**  
When my skin turns into glue,  
**D** **C** **A7**  
You will know that it's warm inside  
**G** **F** (deixa soar)  
And you'll come run to me,  
In the cold, cold night (Riff 1) 3x

## Acordes
