# The Who - However Much I Booze

Tom: A

```
   {intro}

:A   D  :A   D  :A   D  :A   D   :

:A                 :E7sus4    E7   :A                      :Dv Dv Dv->E
E
   I see myself on TV, I'm a faker,  a paper clown
  :A                             :E7sus4    E7
It's clear to all my friends that I habitually lie,
     :A                :Dv Dv Dv->E E
I just bring them down
     :D                    :E7sus4   E7
I claim proneness to exaggeration
```
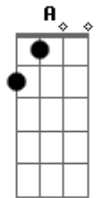

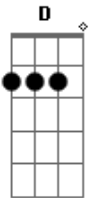

```
        :D                   :E7sus4   E7
But the truth lies in my frustration
        :D                       :E7sus4     E7 :
The children of the night, they all pass me by
        :D                         :E7sus4           : E7
Have to dress myself in brandy, in sleep I'll hide
          :E7sus4         :E7
But however much I booze
                           :A    D  :A          D  :A   D  :A
                                                               D
There ain't no way out        There ain't no way out
          :E7sus4                 :E7                    :A   D
I don't care what you say, boy     There ain't no way out

{repeat intro}

I lose so many nights of sleep worrying
```
