D|-----3-3-1-----3-----3-1----|
A|-----3-----3-2-1~1-----3--|repeat several
time, occasionally
E|1~1-----1|play less notes and
make it

slower riffs, go along with pete's
you cant go
wrong.

Chorus:
We need water.. we need

begining to blister

G|-----|

-----|

-----|

-----|

-----|

-----|

you can figure out the order of the song and you play F and Bb

during the

solo like the verses

Remmeber this song is a jam song, so you can go wild and dont

fully have

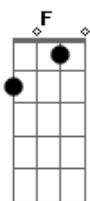

to play note by note what i tabbed, good luck and Remmeber

that John Entwistle

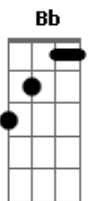

never played every song exactly the same each time

| / slide up
| \ slide down
