

# The Witcher 3 - A Tempestade Dos Lobos

Tom: D

m

Dm Gm Bb A  
 Traça as minhas cicatrizes com teus dedos  
Dm Gm C A  
 Para entrelaçar os nossos caminhos  
Bb Gm Bb A  
 Abra as feridas que nunca fecham  
Dm Gm Bb Dm  
 Até as suas tramas o destinos formar

Dm  
 O sol te afasta dos meus sonhos  
Bb Dm  
 Amargando o meu doce dia  
Dm Gm  
 Me enrolar nos teus cachos negros  
Bb Gm Bb A  
 E nadar no lilás desse teu olhar

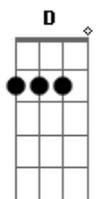

Dm Gm Bb A  
 Pegadas de lobos na neve me guiam  
Dm Gm C A  
 Levando até teu coração imóvel  
Bb Gm Bb A  
 Fúria e tristeza cristalizada

Dm Gm Bb Dm  
 Deixam os teus doces lábios a flamejar

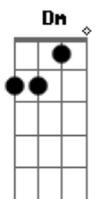

Dm  
 O sol te afasta dos meus sonhos  
Bb Dm  
 Amargando o meu doce dia  
Dm Gm  
 Me enrolar nos teus cachos negros  
Bb Gm Bb A  
 E nadar no lilás desse teu olhar  
Dm Gm Bb A  
 Não sei se tu es meu destino  
Dm Gm C A  
 Ou se ao acaso o amor nos uniu  
Bb Gm Bb A  
 Quando dei voz ao meu desejo  
Dm Gm Bb Dm  
 Vieste a mim sem assim desejares tu?

Dm  
 O sol te afasta dos meus sonhos  
Bb Dm  
 Amargando o meu doce dia  
Dm Gm  
 Me enrolar nos teus cachos negros  
Bb Gm Bb A  
 E nadar no lilás desse teu olhar
