Fearing all manner of ghouls, hags and wraiths

Am E7 Am E7
For your dolly Polly sleep has flown

Don't dare let her tremble alone

For the witcher, heartless, cold

He comes he'll go leave naught behind
E7 Am
But heartache and woe
E7 Am

Deep, deep woe

Am Dm Am
Birds are silent for the night
Dm Am B7 E7
Cows turned in as daylight dies
Am Dm Am
But one soul lies anxious wide awake
Dm Am E7 Am
Fearing all manner of ghouls, hags and wraiths

Am E7 Am E7
My dear dolly Polly shut your eyes
Am E7 Am E7
Lie still, lie silent, utter no cries
Am E7
As the witcher, brave and bold
Dm Am
Paid in coin of gold
Dm
He'll chop and slice you
Am
Cut and dice you
E7 Am
Eat you up whole

Eat you whole
