Parte 2 de 4 (Variação)

From when the White Wolf fought
A silver-tongued devil

His army of elves

At his hooves did they revel

They came after me

With masterful deceit

Broke down my lute

And they kicked in my teeth

While the devil?s horns

Minced our tender meat

And so cried the Witcher
                 G E
He can?t be bleat

[Refrão]

```
Am          E           C
   Toss a coin to your Witcher
      D           Am
O? Valley of Plenty

O? Valley of Plenty, oh

        E          C
Toss a coin to Your Witcher
      D         E   E
O? Valley of Plenty

[Segunda Parte]

```
Am                  D
   At the edge of the world
                  F
Fight the mighty horde
                 Gadd9
That bashes and breaks you
            D  Gadd9   E
And brings you to mourn

Am                 D
   He thrust every elf
                 F
Far back on the shelf
               Gadd9
High up on the mountain
              D  Gadd9   E
From whence it came

Am                  Dadd9
   He wiped out your pest
                 F
Got kicked in his chest
               Gadd9
He?s a friend of humanity
        E         Am
So give him the rest

                Dadd9
That?s my epic tale
               F
A champion prevailed
              Gadd9
Defeated the villain
                        E
Now, pour him some ale
