

# The Wonder Years - Madelyn

tom: G

D  
Madelyn

A  
I share your hate for this world we're in

Bm  
But it makes me a better man

G  
It's an excuse that you make

D  
Madelyn

A  
I know you want to let the bottles in

Bm  
I know you think that they're all your friends

G  
They're lying straight to your face

Em  
And I know

A G  
About the devil in your bloodstream

Em  
And I know

A G  
That the ghosts still visit nightly

Em  
And I know

A G  
It must get lonely by the Chesapeake

( Gbm Em )

D  
Madelyn

A  
Are you really afraid of death

Bm  
Or do you just say it if

G  
It's the right thing to say?

D  
Madelyn

A  
I know you're safe where you lay your head

Bm  
But if you wanted to come back

G  
I've got a place you could stay

Em  
If I'm not

A  
Doing right

G  
By my family

Em  
Then what's

A G  
The point of it anyway?

Gbm Em  
Of this anyway?

D  
I don't think there's a god

A  
I don't think that there's someone coming to save us

Bm G  
And I don't think that's the worst news of the day

D  
I don't think there's a god

A  
I don't think that there's someone coming to save me

Bm G  
And I don't think that's the worst news of the day

D  
Madelyn

A  
I know how your cold scars turn purple

Bm  
I know how the Irish goodbyes feel

G  
I know where you've been

D  
And Madelyn

A  
You and I got this East Coast blood between us

Bm  
It's bitter and vitriolic

G  
I know how it ends

Em A G  
If I'm not doing right by my family

Em A G  
Well, I'm not doing right by family
