[Primeira Parte]

I washed chain grease and blood off of my hands in the ocean  
I let the salt water rinse the dirt away  
I stood calm in a room I hadn't been in in a decade  
I felt dizzy, used to stand here everyday

[Pré-Refrão]

Wait out the storm in a harbor town  
Pretend I'll see you in fall  
Wait out the storm in a harbor town  
Whoa

[Refrão]

Hey Hannah, don't go  
We could have given you such a beautiful home  
I won't call  
Know you're waiting right outside  
Thanks for the ride  
( Am C G Am C )

[Segunda Parte]

I watched lines of container ships drift in just off of Long Beach  
I thought long about where you would be today  
We'd lose touch after college came and went  
I'd hear you got married to some boy from California  
Have a baby on the way

[Pré-Refrão]

Wait out the storm in a harbor town

[Ponte]

I'm letting balloons drift off  
Tiny gifts to a lonely god  
Darlin' please wake up  
I'm letting balloons drift off  
Tiny gifts to a lonely god  
If you see her tell her I'm not giving up  
(See her tell her I'm not giving up.)

[Refrão]
