The XX - Do You Mind?

Tom: D

```
   Bm
Tell me I need to know,
G
where do you wanna go,
Bm
cuz if you're down,
I'll take it slow,
G
make you lose control

D     A
Baby would you like,
Bm
to spend the night,
G
the whole night,
D          A
and maybe if you play it right,
Bm                 G
you can be all mine

D                A
Do you mind if I take you home tonight,
    Bm
stay another day,
        G
if that's okay,
tell me baby,
D                   A
would you mind if I take you home with me,
         Bm
where no one can see,
        G
so don't be shy

D       A      Bm      G
night, night, night, the whole night
D       A      Bm      G
night, night, night, the whole night

D
Baby,
I like your style,
Bm
so lets get it on,
D
when we touch,
I can't get enough,
Bm
I'm falling for you

D       A
Honey would you like,
Bm
to make love tonight,
G
the whole night,
D
and baby,
A                   Bm
if you play it right,
              G
you can be all mine

D                A
Do you mind if I take you home tonight,
    Bm
stay another day,
        G
if that's okay,
tell me baby,
D                   A
would you mind if I take you home with me,
         Bm
where no one can see,
        G
so don't be shy
D       A      Bm      G
night, night, night, the whole night
D       A      Bm      G
night, night, night, the whole night

D              A
Do you mind if i take you home tonight,
(night, night, night, the whole night)
     Bm
stay another day,
         G
if that's ok,
(night, night, night, the whole night)
tell me baby,
D                    A
would you mind if i take you home with me,
       Bm
where no one can see,
(night, night, night, the whole night)
           G
so don't be shy,
D        A      Bm        G
(night, night, night, the whole night)
 D A Bm G
baby
 D A Bm G
honey
 D       A      Bm      G
(night, night, night, the whole night)
baby D A Bm G
honey D A Bm G
(night, night, night, the whole night)
