Bm
After all the time, after you **A**
E
Had you seen me with someone new?
E
Hanging so high for your return
Bm
But the stillness is a burn

A
Had I seen it in your eyes
E
There'd have been no try after try
E
Your leaving had no goodbye
Bm
Had I just seen one in your eyes
(**A** **E**)

Bm
I can't give it up
A
To someone else's touch
E
Because I care too much

Bm
I can't give it up
A
To someone else's touch
E
Because I care too much
Care too much
Care too much
(**Bm** **A** **E**)

Bm
Could you tell
A

I was left lost and lonely?
E **E**
Could you tell
Things ain't worked out my way

Bm
Wish the best for you
A
Wish the best for me
E **E**
Wished for infinity
If that ain't me

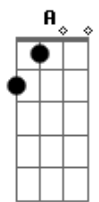

Bm **A**
Give it up
E **E**
I can't give it up
Bm **A**
Give it up
E **E**
I can't give it up

Bm
I can't give it up
A
To someone else's touch
E
Because I care too much

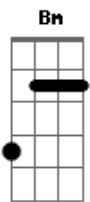

Bm
I can't give it up
A
To someone else's touch
E
Because I care too much
Care too much
Care too much
(**Bm** **A** **E**) (2x)

Give it up

I can't give it up
