

# The Young Veins - Heart Of Mine

Tom: G

<sup>G</sup>  
If I could ask for anything  
I'd only want my girl  
I've seen a lot of things  
Going on all around the world

( <sup>G</sup> )

<sup>C</sup> <sup>G</sup>  
I had to leave her all alone  
<sup>C</sup>  
I wrote this down

<sup>Am</sup>  
So I could let her know

<sup>G</sup>  
That I only want to see her

<sup>Em</sup> <sup>G</sup>  
You should take this heart of mine  
<sup>D</sup> <sup>G</sup>  
She always had that heart of mine  
(Always had that heart of mine )

<sup>G</sup>  
If I could win the lottery  
We'd sail across the world  
Travel to the Philippines

To buy an island just for you and me

<sup>C</sup> <sup>G</sup>  
Girls on the Equator  
<sup>C</sup> <sup>G</sup>  
Never even compare  
<sup>C</sup> <sup>G</sup>  
I only want to see her

<sup>Em</sup> <sup>G</sup>  
You should take this heart of mine  
<sup>D</sup> <sup>Am</sup>  
She always had that heart of mine  
<sup>Em</sup> <sup>G</sup>  
You should take this heart of mine  
<sup>D</sup> <sup>G</sup>  
She always had that heart of mine  
(Always had that heart of mine )

<sup>Em</sup> <sup>G</sup>  
You should take this heart of mine  
<sup>D</sup> <sup>Am</sup>  
She always had that heart of mine  
<sup>Em</sup> <sup>G</sup>  
You should take this heart of mine  
<sup>D</sup> <sup>G</sup>  
She always had that heart of mine  
(Always had that heart of mine )
