Tom: C

Intro: C

C
Now the time has come to say goodbye

And I leave before I start to cry
Dm G
Nothing happening round here no more
Dm G
Gonna leave through my little red door

C
Back in school when we were young and free

Not a thing would upset you or me
Dm G
Now I feel my heart it beats so sore
Dm G
As I leave through my little red door

Em G
But growing up is very hard to do
Em G
But don't let all that growing smother you
Dm G

All the time you needed is now gone
Dm G
All that's left is happy playground songs
C
That you won't sing no more

Now it seems if you're not settled down
With a house and children running round
People wonder what you should be doing
And they think you live your life in ruin

But growing up is very hard to do
But don't let all that growing smother you
All the time you needed is now gone
All that's left is happy playground songs
That you won't sing no more

C
Now the time has come to say goodbye x4

Dm G
Nothing happening round here no more
Dm G C
Gonna leave through my little red door

(Termina em C até acabar)
