

Theory Of A Deadman - Easy To Love You

Tom: **A**

Intro: **A D Bm**

[Primeira Parte]

A
I remember all the summer days drinking wine in the sunshine
D
I hope it never leaves
A
And i remember all the summer nights staring at you in the moonlight
D
I hope you never leave 'cause baby you're so good to me
Bm D A A A A
You have all that all that I ever need

[Refrão]

A
It's easy to love you
D
So easy to love you
Bm
You know it's true
D Bm
The best part of being with you is to know you are with me
A A A A
It's not so hard to say
A
It's easy to love you

[Segunda Parte]

A
I remember all those winter days frozen in the cold tryin' to get you home
D
Should i be moving in?
A
We can be together then
A
Remember spending all those winter nights stayin' inside by a warm fire
D
Ya you gotta know: I can never let you go
Bm D A A A A
You and i have the rest of our life to say

[Refrão]

A
It's easy to love you
D
So easy to love you
Bm

You know it's true

D Bm
The best part of being with you is to know you are with me
A A A A
It's not so hard to say
A
It's easy to love you

Bm
Can anybody else see it?
D
Oh, can anybody else see what I do?
Bm
Can anybody else feel it?
D A
Oh, can anybody else feel the way I do?
A
Now i'm with you

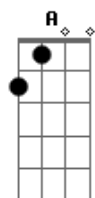

[Solo] **A D Bm D A**

A
Hard to forget all the moments
When we'd be sitting there hoping it would never end
D
'Cause this is meant to be
D
Baby, will you marry me?

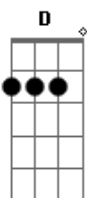

[Refrão]

A
It's easy to love you
D
So easy to love you
Bm
You know it's true
D Bm
The best part of being with you is to know you are with me
A
It's not so hard to say
A
It's easy to love you
A
You and me will be together
D
I know our love will last forever
A
You and me will be together
D
I know our love will last forever
Bm
You know it's true
D
The best part of being with you
A
You're easy to love
