**Em**  
 Wake up to a cloudy day  
**G**  
 Dark rolls in and it starts to rain  
**D**  
 Staring out to the cage-like walls  
**A**  
 Time goes by and the shadows crawl  
**Em**  
 Crushin' candy crushin' pills  
**G**  
 Got no job, mom pays my bills  
**D**  
 Textin' ex's get my fill  
**A**  
 Sweatin' bullets, Netflix-chills  
**Em**  
 World's out there singin' the blues  
**G**  
 Twenty more dead on the evening news  
**D**  
 Think to myself "really, what's the use?"  
**A**  
 I'm just like you, I was born to lose

**Em** **G**  
 Why oh why can't you just fix me?  
**D**  
 When all I want's to feel numb  
**A**  
 But the medication's all done  
**Em** **G**  
 Why oh why does God hate me?  
**D**  
 When all I want's to get high  
**A**  
 And forget this so-called life

**Em**  
 I am so freakin' bored  
**G**  
 Nothin' to do today  
**D** **A**  
 I guess I'll sit around and medicate (medicate)  
**Em**  
 I am so freakin' bored  
**G**  
 Nothing to do today  
**D** **A**  
 I guess I'll sit around and medicate (medicate)

**Em**  
 Can't wait to feel better than I ever will  
**G**  
 Attack that shit like a kid on Benadryl  
**D**  
 Chase it down with a hopeful smile  
**A**  
 Hate myself, if I can go for miles  
**Em**  
 They say family's all you need  
**G**  
 Someone to trust can help you breathe  
**D**

Inhale that drug, but you start to choke

**A**  
 You follow the outs of an inside joke

**Em** **G**  
 Why oh why can't you just fix me?

**D**  
 When all I want's to feel numb

**A**  
 But the medication's all done

**Em** **G**  
 Why oh why does God hate me?

**D**  
**A**  
 'Cause I've seen enough of it, heard enough of it, felt enough of it  
 Had enough of it!

**Em**  
 I am so freakin' bored

**G**  
 Nothin' to do today

**D** **A**  
 I guess I'll sit around and medicate (medicate)

**Em**  
 I am so freakin' bored

**G**  
 Nothing to do today

**D** **A**  
 I guess I'll sit around and medicate (medicate)

**C**  
 Medicate  
**A**  
 Medicate  
**C**  
 Medicate  
**A**  
 Medicate

**Em**  
 Superman is a hero  
**G**  
 But only when his mind is clear though  
**D**  
 He needs that fix like the rest of us  
**A**  
 So he's got no fear when he saves that bus  
**Em**  
 All the stars in the Hollywood Hills  
**G**  
 Snapchat live while they pop them pills  
**D**  
 All those flavors of the rainbow  
**A**  
 Too bad that don't work though

**Em**  
 Your friends are high right now  
**G**  
 Your parents are high right now  
**D**  
 That hot chick's high right now  
**A**  
 That cop is high right now  
**Em**

The president's high right now  
Your priest is high right now  
Everyone's high as right now  
And no one's ever coming down  
I am so freakin' bored

Nothin' to do today  
I guess I'll sit around and medicate (medicate)  
I am so freakin' bored  
Nothing to do today  
I guess I'll sit around and medicate (medicate)
