

# Thiago Ariel - Pedra e Ponte

tom:

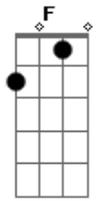

Am

Já fui mãe que esperou o filho na Janela F  
 Já fui homem que ergueu uma guerra  
 Que chorou e sorriu  
 Que chegou e partiu  
 Já fui tantos rostos  
 Já fui tantas histórias

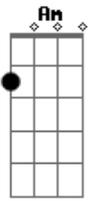

Dm7 Bm7 E7  
 E no adeus eu sinto uma volta

Já fui Pedra, fui Ponte  
 Fui sombra e farol  
 Eu andei pelas noites, busquei por um sol  
 E nas trilhas do tempo aprendi amar  
 Cada vida é um passo pra me transformar  
 No Amor
