

# Thiago Brado - Encontro

Tom: D  
Intro: D Bm G D Em A D

Vem, Senhor, passar

Quero te tocar

Tua graça, enfim

Abrirá em mim

Lugar pro Teu amor morar

Vem curar meu medo

De me olhar no espelho

Quero me amar, não me condenar

E ver Teu olhar no meu olhar

Vem, e toca

Com Tua glória

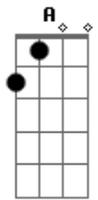

O meu coração ferido e machucado

Me consola com Tua vitória

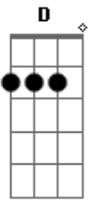

Pois eu sei que a cruz vazia está

Por tanto me amar
