

Thiago Pethit - Sweet Funny Melody

Tom: G

Em
You said that it's too late
C
It's not the perfect time
Em
You told me "You are great
C
why can't you be just mine?"

Baby

Em
You can break my heart in one or two
C
or more than a thousand pieces
Em
You can bring me down
C
You can take me high and fly and fly
Am
Oh boy, we still have
D
One last dance to dance
Am
Let's take it as a bet
D
Let's give us one last chance

Em
Cause you and I
C
We are meant to be
Em
Whatever the future might
C
Choose for us to see

Again

Em
You can break my heart in one or two
C
or in a zillion pieces
Em
You can bring me down
C
You can take me high
Am
Oh boy, we still have
D
One last dance

Am
Let's take it
D
Let's give us one last chance

Em
I'm not as nice
C
As you thought I were
Em
I'm only fine
C
I'm only what you heard
There we go

(**Em C**) (2x) (**Am D**) (2x)

E
Even though
C
You like me so
Em
You told me no
C
just no, no nooo
Once more
Em
You can break my heart in one or two
C
or in a zillion pieces
Em
You can bring me down
C
You can take me high
Am
Oh boy, we still have
D
One last dance
Am
Let's take it
D
Let's give us one last chance

Em
I guess this song
C
Is sung off-key
Em
That's how I see
C
this sweet funny melody
The end

Acordes
