

# Thiago Pethit - Whitehat

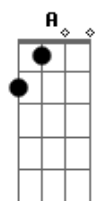

Tom: **A**

**E** **A**  
The hat is white, that's clear  
**E** **A**  
The cap is white as well  
**E** **A**  
The man that passes around us  
**E** **A**

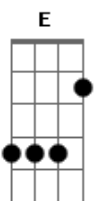

He wears blue as the great sky

**E**  
The streets are  
**A**  
oh so dark and cold  
**E** **A**  
But you still can see the grass is green  
**E** **A**  
When you don't say "I love you"  
**E** **A** ( **E** **A** )  
I get uncolored as the wind that passes through us
