

Third Day - Forever

Tom: C

I ^C see a hand ^F reaching out to help me ^C
 but I don't understand ^F all of Your ways ^C
 You are still the potter ^F and I am just the clay ^C
 And though I know at times I am too proud ^F
 To reach for You, to help me out ^C
 But if I waited on myself to get it right ^F
 I would be waiting here forever ^C

Chorus

^F But Your grace is never gonna to change

^C

And Your faith always will remain

^G And Your love is the same yesterday, today, and forever ^F
 End Chorus ^{C F C}

I see a world looking for an answer but I don't know what for
 When will we realize that we're
 sinners in the hands of a loving God who came and died

And wants to set us free
 Oh how He longs to be with you and me
 But if we waited on the truth to change at all
 We would be waiting here forever

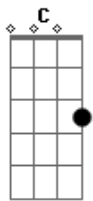

Repeat Chorus

I see Your hand reaching out to help me
 But I don't understand all of Your ways
 but you saved me, I thank You Jesus

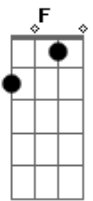

Repeat Chorus

Fade out with "Forever, forever, forever"
