

## Third Day - Forever

Tom: C

I <sup>C F C F C</sup> see a hand reaching out to help me <sup>F C</sup>  
 but I don't understand <sup>F C F C F C</sup> all of Your ways  
 You are still the potter <sup>F C</sup> and I am just the clay  
 And though I know <sup>F</sup> at times I am too proud  
 To reach for You, <sup>C F C</sup> to help me out  
 But if I waited on myself <sup>G F</sup> to get it right  
 I would be waiting here <sup>C F C</sup> forever

Chorus

<sup>F</sup> But Your grace is never gonna to change

<sup>C</sup>

And Your faith always will remain

### Acordes

And Your <sup>G</sup> love is the same <sup>F</sup> yesterday, today, and <sup>C F C</sup> forever  
 End Chorus

I see a world looking for an answer but I don't know what for  
 When will we realize that we're  
 sinners in the hands of a loving God who came and died

And wants to set us free  
 Oh how He longs to be with you and me  
 But if we waited on the truth to change at all  
 We would be waiting here forever

Repeat Chorus

I see Your hand reaching out to help me  
 But I don't understand all of Your ways  
 but you saved me, I thank You Jesus

Repeat Chorus

Fade out with "Forever, forever, forever"
